**RESPONSE TO ELECTION/RESTRICTION REQUIREMENT**

Dear Sir:

In response to the Election/Restriction Requirement dated November 20, 2003, the Applicant elects Group I (claims 1-11 and 24-37), and further elects species "thermoset plastics" with traverse. The traversal was made on the grounds that it is believed that a single search and examination covering all claims would not place undue burden on the Examiner (See MPEP 803).

The Patent Office requests that the Applicant list all claims readable on the elected species. The following claims appear to form a group commensurate with the elected species for search and examination purposes only: claims 24-29.
